"I chose to join the Appraisal Institute as a student because I wanted to get a head start on taking classes and ultimately beginning my career. The student discount is a nice benefit and incentive for me to get ahead on classes. Since I am pursuing a career in valuation it excites me to have a solid background formed from class and now to begin practicing these fundamentals in my job."

"In becoming a Student Affiliate, much of what has been offered to me has had a substantial impact on where I am at today. After going to my chapter events, I have learned a great deal from many of the people I have had met thus far. Aside from the chapter affiliation, the discounts on education have been very helpful to me, as I am just kicking off my career. I am excited about this career path and can't wait to see what the future holds for me."
